

Phan Do Hoang Thao

Final-Year Software Engineering Student

SUMMARY

Final-year Software Engineering student at FPT University with hands-on experience in SAP Technical development (ABAP, RAP, SAP Fiori), gained through university coursework and OJT at FPT Software. Also experienced in mobile development with React Native, delivering a production iOS app to the App Store. Proficient in leveraging AI-assisted tools to improve productivity. Highly motivated to learn, research new technologies, and grow as a software engineer.

EXPERIENCE

FPT Software

OJT Trainee

Jan 2025 – May 2025

- Trained in SAP ABAP programming and ERP development fundamentals
- Developed and debugged ABAP reports, ALV reports, and forms in a professional environment
- Enhanced existing ABAP programs using SE80, ST22, and SAP GUI

FEATURED PROJECTS

GRADUATION PROJECT (ON-GOING)

Custom Notification Center – SAP Fiori Application

Team Member

SAP ABAP · RAP · SAP Fiori · SAPUI5 · OData · SAP HANA · AMC/APC

- Designed database tables and CDS views for authorization and notification data
- Implemented RAP behaviors for notification actions (Mark Read / Unread)
- Built Settings Business Object data definitions
- Configured SM36 background jobs for automated notification delivery
- Developed Notification Details and Settings pages in SAP Fiori
- Configured Fiori Launchpad deployment and intent-based navigation

STARTUP PROJECT

Hengout – Location Recommendation iOS App

Frontend Developer

React Native · Expo · EAS · Cloudinary · REST API

- Implemented 20+ screens from Figma design to production-ready code
- Developed core frontend architecture with state management and navigation
- Integrated In-App Purchase (IAP) and managed App Store review and deployment
- Built offline-first chat architecture with local storage for message reliability
- Collaborated with backend team on microservices architecture (Spring Boot, Kafka, Redis)

★ Awarded 50,000,000 VND Startup Potential Scholarship

CERTIFICATIONS & AWARDS

- Certificate of Completion — On-the-Job Training · FPT Software
- Software Testing Certificate · FPTU & FSoft
- Honorable Student · Fall 2023, Spring 2024, Summer 2025, Fall 2025
- Coursera — 9 Certificates, including:
 - Project Management Principles and Practices
 - Software Development Lifecycle
